## SEE YOU IN A MINUTE - MEMORIES OF DON CHERRY

BERGER KNUTSSON SPERING / NENEH CHERRY / EAGLE-EYE CHERRY / MATS ÖBERG / THOMAS GUSTAFSSON / CHRISTER BOTHÉN / PER TJERNBERG / LARS ALMQVIST

Last April the Berger Knutsson Sperring trio sat down to go thru old tapes from Don Cherry concerts. We picked a handfull of favourites and the musicians to play them with: Christer Bothén, Per Tjernberg and Sigge Krantz who all worked with Don, plus a few of our other favourites: Thomas Gustafsson, Mats Öberg and Lars Almqvist. Neneh and Eagle-Eye were our guests on some of the pieces. We recorded in June, mixed in September and now we proudly release the result, *See You In A Minute*, on the 10th death anniversary of Don Cherry, October 19 at a release party at Bacci in Stockholm, Sweden.

The album consists of *See You In A Minute*, a suite to and from Don Cherry. Plus eight of the finest songs he used to play: **Moki's Saxophone / Clicky Clacky / AC/DC / Ganesh / El Corazón / Fun / Dina Kana Gina / God Is At The Door**. Neneh and Eagle-Eye are singing on three of them.
